Description

Enjoy serenity in the comfort of your home!

This recently renovated 5-bedroom house is located in a quiet area. Inside, the house comprises 1 en-suite master bedroom with a dressing, while the 4 other bedrooms are as charming and spacious, perfect for a big family. Find also a smaller room, to be used as an additional bedroom or a study area and a bathroom and separate toilets.

Warm and welcoming, the living, dining and tv room provide a nice volume and take in natural light with the high window on the roof. Cocooning, there is also a fireplace where you can keep warm during the chilly winter evenings for a glass of wine with your partner.

Among the other home amenities, the kitchen is spacious with a breakfast area and also a grease kitchen and a laundry room. There is enough storage space and a closed double garage for more convenience.

Outside, find a small garden with nice trees and flowers offering westerly views, as the land is slightly elevated. There is a nice yard with parking for around 5 cars, so you can easily invite your friends over for a party.

Sold semi furnished.
