Description

Black River is one of the most idyllic and pleasant regions in Mauritius, both to live and play. Besides the magnificent white beaches, supermarkets, commercial centres, restaurants, bars, banks, medical services and schools are all accessible within a radius of 15 minutes' drive, wherever you are located. The whole area is generally quiet and peaceful. Sheltered from the winds, the West coast enjoys an exceptional climate and the mood is summer-hearted all year round. "Rivière Noire" is a fishing village that has evolved into an upscale residential region without losing its close-knit ties with the sea and the beach. As for activities, whether one enjoys land or sea, night life or dolce vita – one is spoilt for choice. Pick your choice: big game fishing, catamaran cruise, speed boat trips, water sports, equestrian activities, snorkelling, golf, tennis, quad biking, hiking, cycling, nature walk and the list goes on. There's nothing missing for utmost convenience and a fulfilling life.
