### Description

No expense was spared to give you the best of the West Coast, with these value for money top-quality properties. This spectacular penthouse has a practical all round design, offering modern finishes, a chic concept, and a spacious interior.

Great attention to detail is given to these refined residences, from their modern style of construction to the selection of raw and natural materials as well as furniture. It blends together well to showcase the island's African heritage.

With three en-suite bedrooms, find a large living room, a kitchen, a laundry room, and so much more. Not least, you can have an optional hammam, Jacuzzi, and outdoor kitchen.

Be prepared for any eventuality, from a festive weekend to an impromptu reception or the arrival of a surprise guest! You have two choices: live your life up high or keep your feet on the ground. Either way, you will always be anchored in an extraordinary setting!

About Infinity By The Sea

This is a residential project that combines technology, refinement, and design with one objective: to make your well-being the priority.

Apartments and penthouses face the infinite blue of the ocean and the towering historical site of Le Morne Brabant, all tastefully designed to achieve the art of living in comfort. Infinity is about distinctive architecture, superior materials, and refined decoration, imagining a new definition of luxury ...
