Description

A showpiece beachfront apartment, you will be blessed in this luxurious cocoon. As you walk into this first-floor 4-bedroom apartment, you will be blown away by the views on the turquoise lagoon of Poste Lafayette, on the untouched North-East Coast of Mauritius.

For more convenience, you can access the apartment using the stairs or a lift. Once you step out of the lift, you will be stunned by the clever concept, where the living area is sea-facing, offering unobstructed views. The main living area is spacious, with high ceilings left rough to add to the style. There is an open-plan kitchen that leads to an outdoor terrace with a deck. From the terrace, there is an exterior staircase giving you direct access to the garden and the beach.

At the back of the apartment, you will find the kitchen, a pantry, a laundry room, and an outdoor corridor service area that leads to the staff toilets. There is also a back-covered terrace area to chill next to the main living room. The corridor leads to the 4 bedrooms that are all en-suite, including the master bedroom which has its own dressing.

For your leisure, this small high-end complex has its own pool house with a huge swimming pool, and a covered area with a bar and dining facilities.

The North-East Coast is un-spoilt, yet remains close to shopping malls, and golf courses, and is only 30 minutes from Grand Baie.
