Description

An ultimate hideaway, welcome to Kalodyne Bay, located in the heart of Calodyne, on the pristine northern coast of Mauritius, a unique place to enjoy breathtaking views of the Indian Ocean and the Northern Islands.

Essence of elegance, the interior designers have gone to great lengths to ensure that every element of your living space speaks to your refined tastes. Inside this 3-bedroom apartment, you will have a fully equipped modern kitchen, overlooking the living space. The open layout allows light to flow from the kitchen into the living spaces, to create a warm and inviting feel.

The master suite is designed with nothing but you in mind. While every element of your living space speaks to your refined tastes, the bedroom is spacious enough for a king-sized bed and a large, comfortable couch, perfect for reading on a sunny day. The en-suite bathroom has floor-to-ceiling glass windows overlooking the ocean, so you can soak in the sights as you soak in the tub.

You will also have a private terrace, which spans the length of the entire room and offers panoramic views of the ocean and garden, not to forget your private pool.
