Description

An opportunity to imagine and build your dream home, this is your chance!

This plot of land of 4221 m², is situated in the gated residence of Domaine de Palmyre in Petite Riviere Noire. Offer your family a high-quality lifestyle with stupendous mountain views and sea views; close to all the amenities of Black River.

The plots have been carefully laid out to offer unobstructed breathtaking views and follow the original landscape and natural streams have been safeguarded for their rusticity. For a quality lifestyle, the estate's exceptional surroundings have been protected and maintained, and to ensure uniqueness, the Domaine de Palmyre has been designed following the existing land topography, to preserve the site's authenticity.

On the other hand, with due respect to environmental guidelines, the standard architectural specifications guarantee the perfect balance between aesthetic and ecological concerns. Water resources are managed carefully with a sustainable approach whereby dedicated water reservoirs have been built, and solar energy is encouraged, all for the common goal of achieving a minimal impact on the natural environment.

Let's have a look at some specifications:

1. Gated and secured property
2. Underground infrastructure
3. Video surveillance
4. Standard specifications
