### Description

Perched on a mountain slope, this exquisite and spacious 3-bedroom apartment awaits you in the luxurious development - Plantation Marguery. Nestled in a development like no other, this apartment is exemplary in style, with modern architecture - while preserving the surrounding natural environment. You will have sleek, open interior spaces, all in a warm and chic colour palette and noble materials. An interesting feature, one bedroom has its own access.

The apartment filled with light will amaze you with its modern lines and plunge pool reflecting the shades of green and blue tones of the ocean. Also, you will have a private garden.

Not least, the owner will benefit from an optional membership at the 18-hole golf course located opposite the project, within 5-minute drive.
