Description

Serenity and luxury in nature await as you walk into this 3-bedroom house located in the North. Here, you'll find a cozy entrance area leading to the living and dining room. To your left, there is an open-plan kitchen, a grease kitchen, and a pantry, along with access to an open backyard. Additionally, a double garage connected to the kitchen can be converted into a 4th bedroom.

On the right, the living and dining rooms open onto a covered terrace that overlooks a meticulously manicured garden with a central fountain.

At the center of the property, a swimming pool separates the master bedroom, which includes a dressing area and an en-suite bathroom, from the 3rd bedroom. The 3rd bedroom also features a dressing area, a guest toilet, and a bathroom and is set further back, accessed via a TV room area down the corridor.

The house boasts high-quality materials such as stone, wood, and tiled floors, adding a special touch to its overall design.
