Description

Indulge in tasteful, luxury living with this immaculate 4-bedroom, single-story family home.

Situated in one of the most cherished estates on the West Coast, just a stone's throw away from the beach and all the services and amenities you could wish for, including international schools and private clinics.

High ceilings and generous spaces throughout, from the living and dining to the lofty bedrooms and their en-suites. The recently remodelled kitchen is chic and stunning, fully equipped, an entertainer's dream complete with a large pantry, scullery/laundry, and outdoor courtyard for hiding bins and drying the washing.

And because on the island we're all about outside living, again, this house doesn't disappoint. You will love the airy veranda and patios that draw you out to the garden and the beautiful, poolside gazebo with built-in BBQ/lapa.

Enjoy the sprawling lawns, enveloped by a vibrant tropical garden and abundant with birds. Picturesque mountain views and a crystal clear rim flow pool, come together to make this property an absolute treasure, a sanctuary.

On-site access to a beach club, golf club, tennis courts, and boutique hotel and spa, adds to the allure of owning a home here. Zoot down to the beach in your golf cart, or just enjoy a walk or cycle around the estate, in a setting that you could say is the perfect blend of Africa and the tropics.
