Boasting a generous 800 m² of living space spread over 2 floors, this villa offers expansive interiors. The ground floor hosts a plethora of amenities that are not only visually pleasing but also a delight to the senses. Bathed in a tasteful light colour palette, exuding chic and sophistication, the state-of-the-art kitchen rivals the finest palaces worldwide. The living and dining areas, with their high ceilings, are simply breathtaking. On this level, you'll also find a TV room, a laundry room, a study room, and a fitness room. Additionally, 2 spacious en-suite bedrooms provide a sanctuary for relaxation.

The pièce de résistance is the seamless transition from the living area to a covered terrace that leads to a magnificent swimming pool, a charming kiosk, and a meticulously manicured garden that provides a feeling of a secluded, natural oasis.

Moving upstairs, the wonders continue with the grand Master bedroom, complete with an opulent en-suite bathroom that evokes the ambiance of a luxurious resort. The 2 additional bedrooms also come with their en-suite bathrooms.

Not least, you will be ideally positioned, close to shopping centers and the beach.
